

Gender Equality Wish List – Letter to Santa Claus

by Twinning project "Support to Gender Equality"
Funded under The European Union's Transition Facility for Croatia

Zagreb, 6th December 2016

Dear Santa,

We are a very enthusiastic and diligent project team implementing interesting EU funded project in Croatia – Support to Gender Equality.

We have been working very hard for the last 8 months creating better opportunities for both women and men in the Croatian society.

We are aware that you are very busy but as well we know that you are fulfilling wishes coming from the hearts of people ☺

Our wish list is simple, honest and achievable since a lot of people are willing to support it in their everyday life:

- ✚ Equal opportunities on the labour market for everyone;
- ✚ Gender-sensitive education established;
- ✚ Equality in political and public decision-making;
- ✚ Violence against women eliminated;
- ✚ Gender sensitive public administration established;
- ✚ Strengthened judiciary in the area of implementation of the gender equality legislation.

The people of Croatia would like to have more gender equality in the Croatian society!!!
